Phones

Cinnamon Creek's Motto is: Hang Up and Hang Out!

- We know nowadays screentime is at an all time high, but at our Kids Camp we will keep your camper(s) busy, busy, busy. Going to several different stations throughout the day—we HIGHLY recommend they leave the phone at home.
- If you as a parents/guardian ever need to know where your camper is, PLEASE DO NOT HESITATE to call our front desk at 817-439-8998 ext. 401.
- We will have a team of (3) managers and 20+ camp counselors with the #1 priority of knowing where all our campers are always.
- Our goal in this is to make sure everyone is participating in the activities we have. If you have a special circumstance, we totally understand! Just give us a head's up so that we can keep your child happy and safe.

***CCR is not responsible for lost or broken phones.*

Groupings

- Your camper(s) will be placed in groups of 10-12 kids with 1-2 counselors for each group depending on age and group size.
- At the time of booking there was a 'Friend Request' field—we will be grouping kids accordingly if this feature was taken advantage of at the time of booking. We have done our very best to accommodate all friends request the best we can. If friend requests present a crazy age gap- we will refrain from grouping together to keep all groups equal in the games and sports they will be playing throughout the week.
